

# Presidential Park Construction Update August 28, 2024

## Project improvements are over 50% complete!

The contractor has begun pouring concrete for the new park sidewalks near the playground and parking lot. Additional work includes:

- Installation of foundations for the baseball field fence posts
- Installation of trim and plumbing for the storage facility and restroom

Next week, the contractor will install the foul poles and excavate the dugouts for the baseball fields. The contractor will also install the plumbing and water heaters at the new restroom and storage facilities.
