

Presidential Park Construction Update July 17, 2024

Batter Up! The contractor is installing the lighting poles and electrical conduit for the new baseball fields at Presidential Park, ensuring a safe and enjoyable atmosphere for future games. Underdrain installation is in progress and wiring for park restrooms and facilities is ongoing.

Next week, the contractor will continue taking delivery of playground and baseball field equipment. Additionally, grading for the new playground curb and roof truss for new buildings will commence.

*New light pole & conduit
installation*
