

Presidential Park Construction Update November 20, 2024

Take Me Out To The Ball Game!

Over the past two weeks, the contractor completed fence installation and concrete for the parking lot. They also installed the soccer themed play area and placed mulch on the playground.

This week, the contractor will mill and pave the asphalt binder course for the parking lot. The contractor will also be constructing seat walls around the new restroom facilities to create an inviting space.

We are in the final innings of the project, check out this week's progress photos!

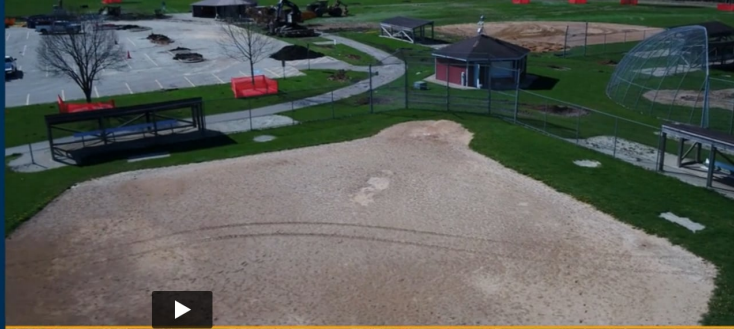

Placing and spreading mulch

Placing concrete base
