

# Presidential Park Construction Update November 6, 2024

## THE BASES ARE LOADED!

Over the past two weeks, the contractor poured concrete throughout the park, continued fencing installation and created new seat walls in the park.

This week, the contractor will complete the artificial turf installation for the baseball fields, wrap up the baseball field backstop fence installation and place the playground mulch.

We can't wait to share this grand slam with the community, check out the wonderful progress photos below!
