

# Presidential Park Construction Update October 9, 2024

## The bases are loaded with fun!

Batter up! Over the past two weeks, the contractor has installed plumbing fixtures for the new restroom facilities and park signage foundations.

This week, the contractor will prepare for concrete pours, pave asphalt paths, and continue fence installation. The contractor will also install the baseball field scoreboard. We are looking forward to this space providing fun and safe recreation for all!

*Signage foundation installation*

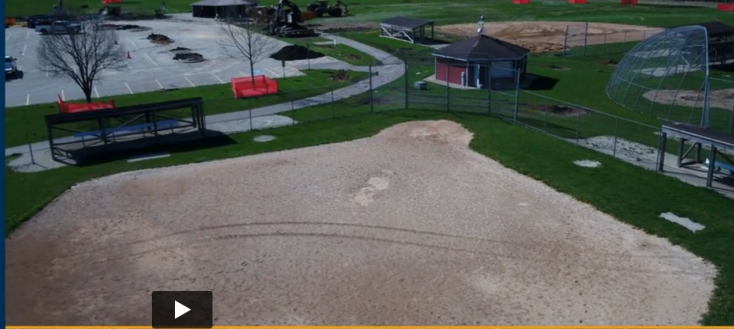

*Baseball field fence installation*
