

Presidential Park Construction Update September 25, 2024

Project progress continues!

You'll be watching double headers soon! Recently, the contractor excavated in preparation for the installation of ballpark equipment, adjusted storm frames, and seeded and blanketed the western pond. The contractor also installed fencing behind home plate and started painting the new storage and restroom facilities.

New concrete around baseball fields

This week, the contractor will continue to pour concrete around the baseball diamonds and install the scoreboard, flagpoles, and foul poles.
