

Towne Park Construction Update

December 19, 2024

This year, the Towne Park Reconstruction project has brought the new nature themed play space, multi-use path, bandshell, and park facilities to life. As we reach the winter season, the contractor will continue working on the building and pavilion improvements as weather allows.

Work is not anticipated over the next two weeks due to the upcoming holidays. The project team wishes you and your family a safe and happy holiday season! Thank you for your patience and support this year.

The park will reach project completion after defrosting next spring in 2025.

Preparing concrete for the curb and gutter along the playground

See how far we've come!

Watch the video below to take a look back at the start of this project and the progress that has been made this summer.
