

Towne Park Construction Update November 20, 2024

Did you know? Towne Park spans over 12 acres, providing ample space for a new playground, bandshell, and multi-use paths.

Recently, the contractor poured concrete around the new restroom building and sidewalks. This week, the contractor will excavate and frame the trellis and gazebo foundations of the park.

We are thankful for all the progress made so far! Construction will be on pause next week due to the Thanksgiving holiday.

Concrete pour at new restroom facilities

See how far we've come!

Watch the video below to take a look back at the start of this project and the progress that

has been made this summer.
