

# Towne Park Construction Update

## October 23, 2024

No tricks, just treats this Halloween season! Recently, the contractor continued installing the electrical and plumbing for the new restrooms and shelter building and paved the new multi-use path south of Crystal Creek.

This week, the contractor will continue installing the bollard lights and framing the shelter building. Towne Park will be lighting up Algonquin soon!

*Framing the shelter building*

## See how far we've come!

Watch the video below to take a look back at the start of this project and the progress that has been made this summer.
